

WHAT WE DO...

Programs

The Friends help fund the Summer Library Program, the Holiday Open House, and various other programs throughout the year.

Financial Support

The Friends provides financial support to the library in many ways, including programs and items that are not covered by the library's budget.

Community Awareness

The Friends want people to enjoy using the library, recognize and appreciate the value that the library adds to the community, and support it.

Volunteerism

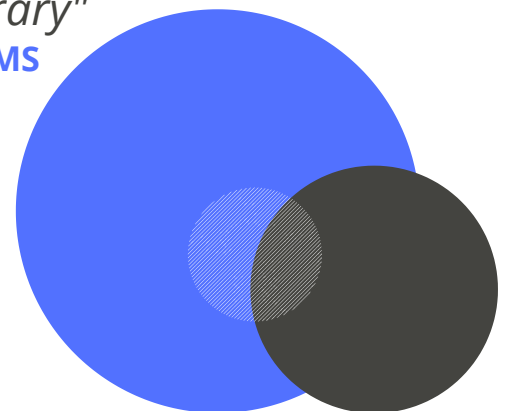

Friends, if they wish, can volunteer at the library, help with the book and bake sales, and more!

Fundraising

In addition to membership dues, the Friends host and help with various fundraisers throughout the year.
